Year 5 Join Parkside Pupils

Our year 5 children joined Parkside pupils along with other feeder primary schools for the day to help support their learning in year 5 and progression into year 6. Pupils had the opportunity to experience many lessons and activities including English, Science, German and RE. They carried out experiments to see how sport and science are linked.

They dissected hearts to find out how they work to pump blood around our bodies as well as exploring their own strength! At the end of the day pupils who made an extra special effort were presented with 'Star Student' awards. Congratulations to Liam Lincoln and Rebecca Britton for receiving a science award, Lois Devonport for an English award and

Cameron Abbott and Keaton Kestle for a PE award - well done! We would like to say 'thank you' to Parkside for organising such a wonderful event!

Sports Days!

Year 1 and 2 Sports Day was cancelled due to the weather this week. It has been re-arranged for **Tuesday 11th July** at 9:15am. We encourage children to come to school in their PE kit and change afterwards if they wish. Year 3, 4, 5 and 6 Sports Day will be held on **Tuesday 11th July** at 1:30pm and nursery and reception on **Wednesday 12th July** at 1:30pm. All children will need a PE kit (they can either come to school in their PE kit they will be wearing in the afternoon OR their NORMAL school uniform with a PE kit to change into), suitable shoes (trainers/plimsolls) and sun protection. We look forward to seeing you there!

Another Fantastic Fayre!

Thank you to everyone who came along and organised our Summer Fayre this week. The rain held off and fun was had by all. We were very lucky to be joined by our local Fire and Rescue Service, the Police and St John's Ambulance. As always the Friends of the School and staff planned and delivered an enjoyable event. With your help we raised £ 852 for extra curricular activities in school. Give yourselves a pat on the back!
