Fri 17th March	Year 1 PE Lesson Cooking lesson for selected year 6 pupils

Year 5 Join Parkside Pupils

Children in year 5 joined Parkside school this week along with children from other feeder schools. The aim of the event is to help progression into year 6 and transition into year 7. Pupils had the opportunity to experience many of the lessons and activities that Parkside offers. The theme for the day was numeracy and lessons included geography and science. Children particularly enjoyed the competition time. They took part in a variety of ball games, using their numeracy skills to keep an eye on who was scoring the most points and who was the team to beat! The day finished with 'Star Student' awards given to those who made an extra special effort and excelled throughout the day!

Congratulations to RE Quiz Team

Congratulations to our year 6 team of pupils who finished 2nd in the inter-school RE quiz at St. Stephens School. The children volunteered to take part and took responsibility for revising a significant amount of information over the half term break and at lunchtimes. We are very proud of their performance and commitment. As a reward Kai, Mia, Sianne and Adam received a reward in assembly today.

World War II

This term children in year 6 have been learning about World War II. Mrs Graves a year 6 parent very kindly

brought in her magnificent collection of coins which included World War II commemorative coins.

The children were Fascinated, so much so they decided to design their very own coins! Thank you Mrs Graves !

Parent Questionnaire

The support and involvement of parents is extremely important to the development of our school and I feel that the relationship between school and parents has never been better.

Attached to this newsletter will be a parent questionnaire. Please could you take the time to complete it and **add any ideas and suggestions you may have to further improve our school.**

You can also complete the survey on-line by visiting our website. This option will be available shortly and you will receive a text message link once available.

Thank you.

Parents Evening

You should have received a text message link to book an appointment for your child in reception - year 6.

If you are having problems or have not received a message please contact the school office. This is an ideal opportunity to discuss your child's progress and any concerns you may have. Thank you.
