**Parent Survey Results**

Thank you for your comments. Once again we are delighted that the overwhelming majority of parents strongly agree or agree with all statements on the questionnaire - it is great to know that you see the school in such a positive light. Your thoughtful comments and suggestions are both valued and appreciated in our constant effort to find new and innovative ways to improve the school experience for both children and parents. Of the very few questionnaires that had 'Disagree' selected for a question, unfortunately the majority were not accompanied by a reason or explanation. This is disappointing as without this information we do not know what you want us to improve. For example, without any reasons given for disagreeing with question 1 we are left to puzzle why a child might not enjoy school. One reason may be the fact that Year 2 and 6 children are working hard in preparation for SATs and this is a stressful time for them. Obviously we always strive to make our school a happy place in which the children treat each other with respect and enjoy learning. We urge any parent with a concern regarding any aspect of school to see a member of staff so that we can talk it through and try and find a way forward.

**SATs Week - Good Luck Year 6**

Miss Jones and Mrs Jacob couldn't be more proud of how hard Year 6 have worked over the last couple of weeks in preparation for their SATs exams. Each and every one of them has put a great deal of effort into performing to the absolute best of their ability and the progress they have made, regardless of what happens next week, has been absolutely phenomenal. They are now instructed to go home, have early nights, enjoy their weekend ready to show off what they can do next week. Well done and good luck

Year 6. It is proven that a good breakfast and a good night's sleep aids concentration. Therefore if your child in Year 6 wishes, they can have a **free** breakfast at school throughout this week.

**Wedding Celebrations**

To commemorate the marriage of Prince Harry and Meghan Markle next week, we would like to invite children to attend school in the theme of the Union Jack on **Friday 18th May**. All children and adults can wear clothes in red, white and blue for our Royal themed day. In addition to our 'Royal Wedding' activities we will be serving a special 'Royal Wedding' buffet lunch. If your child usually has a packed lunch but would like to have a school dinner on this day please contact the school office.
