**Nocturnal Animals Visit Reception Class**

Children in reception class have been learning about night and day this week. On Tuesday they had some special

visitors in the form of nocturnal animals. Children began their nocturnal journey by reading the book 'Owl Babies' and were fascinated when a real owl came to see them!

Children were able to stroke and hold the animals. Evie said "There were mice and they crawled everywhere!" and Finley couldn't believe that the lizards tail fell off when it was scared!

As you can see children had a wonderful time, not so sure the snake was a hit with everyone though!

'It was hard to keep hold of the mouse!'
