Please leave a message stating your name, contact number and how many seats you require. Please note there are a limited number of seats available and trips operate on a first come, first served basis.

**All bookings must be made via the booking system and paid for prior to Tuesday 10th October.**

**Say Goodbye to Head Lice**

We have had a number of reported cases and concerns over head lice this week.

It is important to let our children know that head lice are common and a normal part of growing up. Everyone and anyone can have head lice. Public Health England say 'head lice are a community based problem rather than one centred in schools.

People catch head lice anywhere in the community and at home'. In an average school year, more children will 'contract' lice than the common cold!

What is important is to ensure you check your child's hair on a regular basis. If lice are found check the rest of the family too. It is absolutely necessary to **TREAT the infected person** with one of the many options available. Did you know you can get **FREE** head lice lotion from your local chemist? Get those combs out and beat the bugs! These outbreaks end much more quickly if everyone gets involved.

**'Once a Week Take a Peek'  
Make this a normal routine!**

If you would like further information please visit our website <http://wp.me/P6NmMZ-EI> or contact your local Pharmacy or health advisor. Treating head lice is not a problem but detection and **effective ongoing** treatment of head lice is key to reducing the outbreaks.

**Fantastic Turnout for Reception Class 'Stay and Play' Session.**

Parents and carers of our new reception children were invited into the classroom on Tuesday to experience and enjoy our learning environment with their child. The children had great fun showing their parents around their classroom and letting them know what they get up to in school each day! From painting, modelling, building creations, writing to playing in the sand everyone had a fantastic time. The sessions are also a great way for families to meet each other, have a chat in a relaxed atmosphere and get ideas on how they can support their child's learning from the Early Years staff. Miss McCartney would like to thank everyone who attended and said "I think this is the best turnout yet! I am looking forward to the next one!"
