Year 2 **Isobel Britton**  
Year 3 **Katie Welch**  
Year 4 **Kiama Fenwick**  
Year 5 **Harrison Davison**  
Year 6 **Elise Brunning**

**Attendance League**

1st Martian City Yr3  
2nd Minion United Yr6  
3rd Danger Rangers Yr4  
**Be an Attendance H.E.R.O Here Everyday Ready On time**

**Go-Givers - Make a Difference Campaign**

Children in reception class are taking part in a 'Make a Difference Campaign' The campaign is a child led project that supports children in identifying, researching and addressing a concern that they want to do something about by developing awareness, fundraising or taking direct action. After much discussion the class identified four things, helping the elderly, helping other children, helping the homeless and providing food for food banks. This week they held a ballot just like grownups do when deciding on a Prime Minister! There was a tie between elderly and children in the community. Another ballot was held

and with 17 votes to 12 children was the most popular. Over the next few weeks the class will be thinking about how to help children in the community who don't have much to do after school or on weekends. Well done reception"

**Roblox - Online Safety**

Roblox is a game aimed at children, and because it does allow communication between users it can cause issues with privacy and bullying, much like any other apps. We have found that warning about a particular app does not

always make children safer as they may use another app which may be less safe. Therefore we have issued general online safety guidance on our website and Facebook pages as well as specific Roblox advice. Whilst we help children to learn about staying safe online, we recognise that the primary responsibility for online safety at home lies with parents and carers. Your help is needed to help your children adopt safe use of the digital technologies at home. Please visit our website <http://www.willington.durham.sch.uk/parents/online-safety/> or our

Facebook page [@willingtonprimary2326](https://www.facebook.com/willingtonprimary2326) for further information. Our School Designated Safeguarding Lead and Online Safety Lead Mr Cornforth (Headteacher) or in his absence Mrs Harker (Deputy Headteacher) are available to discuss any help you may need or concerns regarding online safety that you may have.

**School Closed - Monday 19th February**

Monday 19th February is a training day for staff. Therefore the nursery and school will be closed to all pupils. Pupils will return to school on Tuesday 20th February.

**Yoga Story**

Children in nursery had a yoga adventure this week based on the poem 'We're Going on a Bear Hunt'. Mrs Britton said "Yoga gives a whole new spin on a story as it brings a new adventure, with fun characters which helps children learn about themselves and the world around them. Children had great fun meeting lots of bears on their bear hunt which was very exciting".
