Stay and Play

Parents and carers of nursery children joined them in their classroom environment this week to experience a day in the life of nursery. They joined in with drawing, creating with play dough and uncovered the small world area, to name a few! The children were so excited showing their relatives what they get up to when they come to school! All our visitors thoroughly enjoyed the experience and the children did too!

World Book Day 2017

It was wonderful to see the children and staff embracing the theme of pyjamas and bedtime stories for World Book Day this year. The children had a brilliant snuggle down day sharing their favourite stories with children in other classes. Thank you to parents and carers who commented that the theme was a wonderful idea as it removed the pressure of purchasing/making costumes. They said 'It was great to see the children celebrating what World Book Day is really about - reading and enjoying books!'. Don't forget our book fair starting on Friday next week from 3pm in the school hall. Attached is a sample leaflet of what is available along with your £1 book token which can be spent at the fair on any book worth £2.99 or more.

Parents Evening

Do you have a child in year 1 to 6? Have you made an appointment for parents evening? You should have received a text message link to book an appointment for either Tuesday 21st or Wednesday 22nd March. If you are having problems or have not received a message please contact the school office. This is an ideal opportunity to discuss your child's progress and any concerns you may have. Thank you.

SAFC Tickets Sunderland AFC are selling discounted tickets for the Burnley fixture on 18th March. If you are interested please collect a form from the school office.
