Crime Scene Investigation

Children in reception class were shocked when they entered their classroom this week. The room had been ransacked, tables turned upside down and pots of paint spilled on the floor. The children looked for clues to find out what had happened and if anything had gone missing. The class reported the incident to Mrs Exton who passed the information onto the police. The investigation will continue into next week when their role play area becomes a police station. Will we ever find out who did it? To be continued!

Residential Fun!

Children in year 5 and 6 had the opportunity to participate in a residential trip to Dukeshouse Wood Centre near Hexham prior to the holidays. They were very lucky that the weather was sunny and warm which added to the exciting atmosphere. They experienced a range of activities including a 3G swing, night walking, fire building and zip wire to name a few! The residential gave children the opportunity to develop team skills and encourage independence as well as having lots of fun!

Please Help Raise Funds

Help us raise much needed extra curricular funds by getting rid of any unwanted gifts, bottles, chocolates, toys etc you may have (sorry no bric-a-brac) and donate them to us for our summer fayre tombola stall. We welcome any contribution! For the budding bakers out there we also need cakes/biscuits to sell on the day. The fayre will take place on the afternoon of Thursday 6th July, everyone is welcome! There will be stalls, fairground rides, games, café and much more. Pop along and have some summer fun with your child. If you have some spare time and would like to get involved please contact the school office. Thank you.
