Year 6	Matthew Evans

Mr Littlefair's Sports Star Award
McKenzie Hauxwell
Reception

Attendance League
1st Squarepants FC Y5
2nd Woof Athletic Rec
3rd Menace City Y6

Year 2 Discover Plant Life

Year 2 started their topic on plants this week by exploring our grounds to determine what type of trees, wild and garden plants we have in school. The children found lots of wild plants and had fun exploring the sensory garden! They were particularly intrigued by the 'lambs ears' plants and described them as super soft. However, they were not so sure about the smell of the 'curry' plant!

June is a critical time to remind everybody of the importance of being safe around water, as children prepare to launch themselves into the school summer holidays, and everyone plans to take some time enjoying the summer, often by water of some description, from paddling pools to the beach. We have various resources on our school website www.willington.durham.sch.uk you can access.

- SPOT** **Spot the dangers** - Look for dangers when ever you are near the water.
- ADVICE** **Take advice** - Read the signs, ask life guards and adults.
- FRIEND** **Go with a friend** - Always go with friends or family, it's more fun and they can help in an emergency.
- EMERGENCY** **Learn what to do in an emergency** - Call 999 and shout for help. Never go into the water to help someone.
