Willington Primary Summer Fayre
Thursday 6th July at 1:30pm

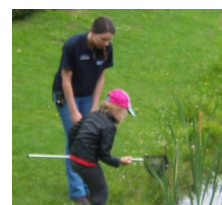

Come along and have some fun at the fayre! We will be holding our annual summer fayre on Thursday 6th July at 1:30pm in school. We are hoping the sun will shine to enhance what is already set to be a fun afternoon! There will be a carnival funfair, many stalls, raffles, tombola's, games, café, arts and crafts and much more - not forgetting Mr Littlefair who will be in the stocks! Our school fayre's raise much needed funds for extra curricular activities in school, for example trips, theatre shows etc so please come and support us, everyone is invited!

Sports Days!

It's the first of our Sports Days next week! Year 1 and 2 Sports Day will be on **Tuesday 4th July** at 1:30pm on the school field. The weather looks like improving so come along and support your child. All parents/carers welcome. Children will need a PE kit (they can either come to school in their PE kit they will be wearing in the afternoon OR their NORMAL school uniform with a PE kit to change into), suitable shoes (trainers/plimsolls) and sun protection. Reminder - Year 3, 4, 5 and 6 Sports Day will be held on **Tuesday 11th July** at 1:30pm and nursery and reception on **Wednesday 12th July** at 1:30pm.

Mini-Beast Explorers

Children in year 1 took a trip to Hardwick Park this week. Children learnt about the types of mini-beasts that make their homes in the park. They discovered habitats which they have been learning about in the classroom and took part in a woodland mini-beast hunt as well as a spot of pond dipping! Luckily the sun shone and children had a wonderful time. So much so most fell asleep on the way home!

Summer Trip to Low Barnes

Reception class took part in a spot of bird watching and learnt about life cycles at Low Barnes on Wednesday. However, they weren't as lucky as year 1 with the weather! The rain didn't dampen their spirits though and children thoroughly enjoyed the experience which enhanced their

topic work. The children recently took delivery of caterpillars to put in their butterfly house in the classroom. They have been observing the changes each day until they watched them transform into beautiful butterflies and then set them free!
