Our Incredible Year 6!

Congratulations to our year 6 children who have finished their SATs! You have all worked extremely hard and we are incredibly proud of you!

The class celebrated with a Krispy Kreme donut party!

Pupils had the opportunity to hold a piece of history in their hands this week when Durham Light Infantry volunteers visited

them for the day. The children had a unique opportunity to explore artefacts and hold genuine objects once used by DLI soldiers and their families. The class used drama to recreate life in WWII. The children had a wonderful day and the DLI volunteers (two of them retired soldiers) were thrilled at the level of knowledge and the standard of questions that came from the children.

Rainbow Colours

Children in year 3 visited the Hancock Museum to explore what colour is and how it is found in the natural world.

Children created rainbows and investigated colours through rock and mineral samples before thinking about why animals are different colours. Interactive sessions gave children the knowledge of why animals use colour for display, warning and camouflage in different habitats. The day finished with a tour of the museum!

Closure of Nursery and Reception Classes for the General Election – Thursday 8th June

Due to the success of our partial closure for polling for the local elections we have decided that on **Thursday 8th June** our **nursery and reception classes only** will be closed to pupils to minimise disruption to learning. The remainder of the school (Years 1 to 6) will be open to children as normal.

Willington Primary Summer Fayre

This year our Summer Fayre will be on **Thursday 6th July**. Would you like to be involved, do you have any ideas for new stalls or attractions? If so, please get in touch we would love to hear from you. Please contact Julie Bray our PSA or leave a message at the office. We welcome any donations for our tombola and raffle stalls too! Thank you.
