

WILLINGTON WEEKLY

Friday 20th October, 2023

Football Greats!

On Wednesday, our fantastic Year 5 & 6 football team came third in the local cluster tournament. The team have been excellent throughout the tournament and have scored at least once in every match! We couldn't be prouder of our squad. Next year, we are looking forward to competing in the girls tournament.

Field Work Week

Year 6 investigated the statement: How safe is our town? Pupils decided on the categories they would investigate (traffic, lighting and evidence of antisocial behaviour to name a few) They did a super job creating their own surveys and collecting/recording data. They will analyse it later this week.

This week our pupils have been investigating Willington as part of our Geography Field work weeks. They have examined maps of our local area, carried out surveys and been for walks around Willington- some of you saw us and said hello! The behavior of pupils, whilst in our community, was exemplary as always.

Harvest Service

Just a reminder that Key Stage 2 pupils (years 3-6) are going to a Harvest Service at St Stephen's Church 2pm on Tuesday 24th October. Parents and carers are invited to attend. Pupils can be taken home from the church after the service. We are walking to and from the church. Any pupils who are not collected will be walked back to school after the service for normal pick up time.
