

CAMERA, LIGHTS, ACTION!

Our Year 5 pupils have been participating in workshops led by Oases that look at sustainable energy solutions. In Willington, our proximity to the wind turbines meant that researching wind technology as a sustainable energy made perfect sense.

This week our pupils have been on camera! They have written, performed and directed a film about wind energy. Oases was so impressed by the confidence of our pupils on camera, their clear speaking and also the acting skills of some of our pupils. Well done Year 5.

We hope to share the finished video with parents soon.

Every week a certificate is awarded in Assembly for a reading star from Reception class to Year 6. The pupil who is selected receives a 'Snuggle up with a book' bag containing hot chocolate and a biscuit. The pack also contains an exercise book in which pupils have put photos of themselves enjoying their treat as well as some information about the book they have chosen to read. We love to see photos of our pupils enjoying their reading. If you take a photo of your child enjoying their reward, you can send it to school by Dojo and Seesaw - we can print it out and put it in their book. Our pupils love to see other children from their class reading. Please remember to return the book bags, ready for the next recipient!
