

Together Everyone Achieves More

23rd May 2025

Willington Primary School

Performing Arts: 'Aladdin Trouble'

Our Performing Arts after school club put on a fantastic show, 'Aladdin Trouble', to a packed hall of parents/carers and pupils this week. The children have been practising and rehearsing every week since October and have shown wonderful commitment and dedication! They have all worked really hard to learn lines, stage directions, song lyrics and dances. Their final performances were AMAZING and they definitely deserved the huge applause at the end of both performances! Miss McCartney and Miss Smith were so proud of their performers for their efforts.

Well done to everyone involved.

STARS OF THE WEEK

Reception: Skylar

Year 1: Arthur

Year 2: Evelyn

Year 3: Kayden H

Year 4: Ashton

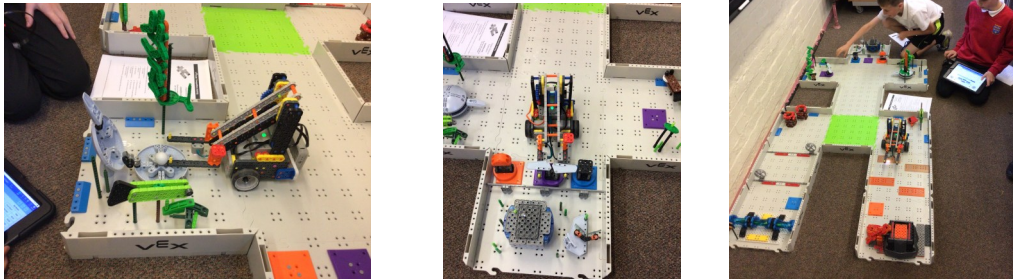

Year 5: Buddy

Year 6: Ollie and Thomas

Robotics

Each Monday after school, Mrs. Milne hosts Robotics Club for some of our KS2 children. They have been working on building, coding and driving Vex Go robots, in order to take part in a competition at Nissan in June.

Good luck to our WPS Warriors Robotics Team!

School Games Gold Award

We are thrilled to announce that we have secured the Gold Award for the School Games Mark for the third year in a row! The award recognises our dedication to raising the profile of PE and Sports across the school and in the local community.

Weekly Attendance

Weekly Class Attendance

Week Ending: 16th May 2025

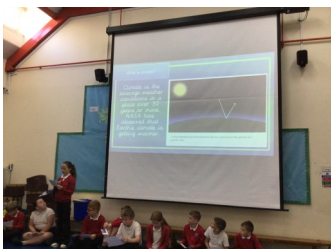

Percentage	Sessions Late
Reception - 92.63%	0
Year 1 - 94.67%	2
Year 2 - 81%	2
Year 3 - 87%	4
Year 4 - 81.43%	0
Year 5 - 81.88%	1
Year 6 - 93.2%	2

Whole School 87.42%

KS2 Assembly

On Tuesday, some of the children in Year 5 volunteered to lead the KS2 assembly for years 4-6. They spoke about the topic of climate change and sustainability in our school. Well done to our amazing speakers, Mrs. Harker was super impressed with your confidence.

Bee Rescue!

Earlier this week John from Eggzander Honey very kindly came to save the bees that had swarmed onto one of our trees.

We can not thank John enough for his patience and time! John will be popping back into school in the near future to explain to our Eco Club children about importance of Bees!
