## Willington Primary School's first Switch off/Outdoor Education Day!

On Tuesday 24th June we will be holding our first Switch Off Day/Outdoor Education Day. We are looking forward to an exciting day filled with outdoor activities, including Sports Day for years 1, 2 and 3, hosting a renewable energy debate and natural art. It promises to be a fun and enriching experience for all our children.

We will also be using this day to save electricity by switching off the majority of electrical appliances across the school.

Thank you for your support in making this a wonderful day for the children.

## Coats and Jumpers

Please could we ask that children come into school wearing jumpers and coats on cold and wet days. Please make sure these are labeled with their names.

We have a considerable amount of lost property. If you are missing any items please pop into the main reception to check the lost property boxes. Thank you

## Caterpillar delivery in EYFS

Earlier this week EYFS had a very special delivery of 5 tiny caterpillars. They can't wait to watch them grow and change.

## Reading Programme

Some of our children are taking part in a reading programme. They had a great first session!
